ORDER**

DECLARATION OF JOHN CHAMBERS

I, John Chambers, declare as follows:

1. I make this declaration in support of the Motion for Protective Order filed by Cisco Systems, Inc. ("Cisco"). I make this declaration of personal knowledge, and if called and sworn as a witness, I could and would testify as set forth below.

2. I am currently Cisco's Executive Chairman of the Board and have held this position since July 2015. My responsibilities include building relationships with government and business leaders, shareholders, and Board members. I also serve as an advisor to the current CEO, Chuck Robbins, on various issues, including the company's strategy, digital transformation, security, relationships and strategic partnerships.

3. I first joined Cisco as Senior Vice President in January 1991 and began serving as a member of the Board in November 1993. I was promoted to Executive Vice President in June 1994. I then became President and Chief Executive Officer in January 1995. I served as President until November 2006, at which time I was appointed Chairman of the Board in addition to my CEO role. I served as Chairman and CEO until July 2015, when I was appointed to my current position.

4. I was not involved in the creation of any aspect of the copyrighted works that are at issue in this case, nor was I an inventor of any of the inventions that resulted in the asserted patents.

5. [REDACTED]
